We Had a Great Time!

Thanks for coming out and supporting us last weekend at our Grand Opening Anniversary Celebration! Lorraine's cooking demo inspired everyone to take asparagus and rhubarb home to try the great, easy-to-make recipes!

We introduced German style sourdough breads and they went like hotcakes! We'll be making and selling those on weekends throughout the summer. Supplies will be limited, so make sure you get to the farm stand early before they're all sold out!

Selling our fermented vegetables is a new undertaking for us this year. And judging by the speed with which the jars flew out of the Farm Stand last weekend, it's going to be popular with our customers

The Secret Life of Bees

While cutting the lawn yesterday, we noticed a swarm of bees hanging on a fence post. Lorraine was quick to set up a hive and entice the newcomers to make TAG their new home!
