News from Thyme Again Gardens

Volume 2, Issue 9: June 9, 2016

Special Notes

- ✓ Thanks to Liv and Nathan from the US Midwest for Woofing with us for a couple weeks – we really appreciated your help. The barns look FAB!
- ✓ We're on our 2nd planting of greens, so we'll have lots of fresh picked salad mixes & other greens!
- ✓ We're also on our 2nd planting of gladiolas, sunflowers, zinnias and dahlias for our 2016 *Pick Your Own* flower program.
- ✓ This weekend we plan to finish planting all of our tomato seedlings. If you haven't planted yours yet, we still have seedlings for sale at the Farm Strand.
- ✓ We got our first cut of hay in last week – earliest ever! If you're interested in helping us bring hay in, please give us a call. It's a big job and we would really appreciate extra hands!

The Farm Stand

Our on-site farm stand is open daily from **8am to 8pm** and features farm fresh produce, frozen meats and a variety of preserves – all from our farm! ** Made exclusively for Thyme Again Gardens, using ingredients grown on our farm!*

Welcome Olivia!

It was an incredibly exciting week for us, as our newest helper moved to Thyme Again Gardens. Say hello to Olivia, a Maremma – East Asian Shepherd cross.

Olivia arrives at the farm and immediately finds a spot to snuggle between the wall and a row of boots.

Olivia will be taking over for Clyde, who has faithfully guarded our sheep for the past several years. Clyde's getting up there in age, and has been signalling his intent to retire for some time now (evidenced by his stealthy escape from the sheep pasture whenever the opportunity presents itself – to lounge in the warmth of the solarium by the house)!

Clyde gives Olivia a lecture on the importance of vigilance and focus!

The sheep have welcomed Olivia with lots of *baaaa*-ing and just a little bit of playful curiosity.
