Looking for a fun family outing, or just want to get away to the country for some much needed clean air and exercise? Why not join us on **Saturday June 1st** for our annual Farm Day celebration?

As a volunteer farmer-for-a-day, you'll be involved in garden prep, planting, general clean-up and maintenance, and maybe even some work with the animals. New this year, our local sheep shearer will be on hand to give our girls a haircut and answer any questions you may have. You can even help catch sheep (unfortunately they don't just stand in line just waiting to be sheared!!) And this is your chance to experience first hand how to clean freshly sheared fleece and get it ready for spinning.

As always, you'll be thanked for your hard work with a hearty farm meal shared with friends! Start time is 9am, with morning break with fresh pastries at 11. And it's all capped off with our traditional farm lunch at 2pm. Share the work, have some laughs, and make new friends. Who knows – you may even decide you want to be a full-time farmer!!!

Let your friends know about this great event. To ensure we have enough food (and work) on hand, please call or email us to confirm your attendance. Hope to see you June 1st! Cheers,
